Bright Star Kids Fundraising Club's Frequently Asked Questions

Can we sell all of Bright Star Kids products?

Yes, you can promote all of our products, from the Vinyl Name Labels to the Household Packs to the Wall Graphics. There's bound to be something to suit everyone in the family.

Do we need to sell a minimum amount?

No, there are no sales targets to meet. But to ensure that your group receives its commission payment every quarter, your group needs to make a minimum of \$50 (ex. GST) in commissions. This should be an easily met target, as it only accounts for \$200AUD (ex. GST) of actual sales.

Will our fundraising code expiry?

Your unique fundraising code will be valid for up to 6 months from registration. On request, we can extend your code for an additional 6 months, which can be especially useful for continuous fundraising.

Can we get catalogues to hand out?

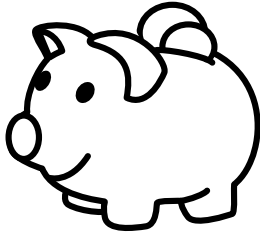

To keep our costs down, and transfer this saving to you, we don't send out bulk amounts of catalogues. Instead we're able to send you as many flyers as you require, which give people all the information they need to head to our web site, buy some products and give 25% to you.

Are there any incentives to sell more?

As a special incentive for high-achieving fundraising groups, Bright Star Kids will give \$50AUD worth of Bright Star Kids (BSK) Dollars for every \$500AUD worth of sales. Your group can then use these BSK Dollars to purchase items from Bright Star Kids or raffle them off to raise even more cash.
