50 Grateful To Have You As My Dad
From the earliest that I remember,
From when I was first aware,
Through all the years come hail or shine,
You've always showed you care.

You not only taught me the everyday things,
Like washing my hands and tying a shoe,
But also to deal with what life brings;
You've shaped my values and world view.

You've been there whenever I needed,
You've helped in many a way,
Whether fixing something broken,
Or knowing just what to say.

I always know I can count on you,
That's a matter of fact.
For that countless other things,
I love you to the moon and back.

Most of all, I'm grateful,
And my heart is truly glad,
That today and every single day,
I have you as my Dad.
